A Project manager and Agilist with 9+ years of experience working with diverse cross-cultural global teams in various projects spanning across domains in technology and marketplace. I thrive in the strategic long term vision and consistently demonstrate effective project management keeping data driven outlook.

## Experience

### Kaodim • Project Manager

NOV 2017 - FEB 2019 • SELANGOR, MALAYSIA

**Built & develop 15+ personnel Engineering team for Web & mobile apps program management across 4 countries.**

- Maximizing business value with scrum (later Kanban) by establishing 2 POD structure, including CI/CD and streamlining processes across company.
- Optimized release cycle by analyzing project metrics like velocity charts, defects reports, release charts etc.
- Reduced issues resolution time by 40% via central issue priority platform.
- Effectively drive team towards KPI goals by coaching and mentoring, timely project updates, change management and monitor quality deliveries.

### Monotype • Program Manager

FEB 2015 - JUL 2017 • NOIDA, INDIA

**Established 4 cross-platform project teams across 3 countries**

#### Product CIM (Olapic)

- Build in-house team of 8+ animators / designers across India and NY, which became a new revenue stream for the company.
- Established Kanban process with live-dashboards, integrating risk and change management frameworks, aligning all stakeholders and teams.
- Generated \$1.2M ARR, resulted in 60% reduction in clients' production costs and 2X engagement on campaigns.
- 60% less release time by optimizing development cycle & reduce waste.

#### Product Linotype & Monotype.com

- Setup new teams for [linotype.com](#) & [monotype.com](#) (5+) in India & Germany, saving ~ \$30K in operations by efficient capacity planning.
- Responsible for hiring tech talent and mentoring. Effectively managed multiple teams with 6 team members each.
- Coaching teams in technical decisions for cloud & platform migration.
- Established scrum processes and communication channels in product & engineering teams across 3 countries to deliver quality releases.

**Others:** Launched Monotype India's blogging and social media strategy.

### HCL Technologies • Manager-Web Engineering

MAY 2011 - JAN 2015 • NOIDA, INDIA

**Led 3+ personnel web engineering team under corporate marketing.**

- Derive the construct and operations of web engineering projects with internal teams and vendor team to deliver timely and quality deliveries.
- Established effective communication platform, change management, requirements gathering process for Digital CoE.
- Hands-on development using Linux, Drupal, Mysql & PHP.

### Srijan Technologies • Lead Developer

2007 - 2011 • GURGAON, INDIA

Project architect and lead developer for client projects, worked on DRUPAL, PHP, MYSQL for award winning websites like [mnn.com](#), [thegivingpoint.org](#) etc.
